

PSYCHIC GETS IT RIGHT

KATHY

Hello, I'm Kathy Ribiani, and I have a gift. A rare and precious gift to connect with people who have no physical presence in This World.

Let's get started, shall we. So I'm sensing a man. A man whose name begins with the letter D -

WOMAN

D?! Did you say D? As in David? As in MY David?

KATHY

Yes. Great. So I sense that David is your husband-father-brother -

WOMAN

Husband! Yes! David was my husband.

KATHY

Good. Good. And I'm sensing a color. It's blue? Like a greeny blue, like a green -

WOMAN

Blue? Did you say blue?

KATHY

Yes, blue. Blue.

WOMAN

How could you know that?

KATHY

Ah, well, that's the gift. It moves in mysterious ways - so this blue, is a very close link you have with David.

WOMAN

Jeeze.

KATHY

It's not a happy thing -?

WOMAN

Oh my god!

KATHY
It isn't?

WOMAN
No!

KATHY
Huh. Ok.
Well, David says that he knows
about the blue.

WOMAN
What? He knows?

KATHY
He, uh, wow. OK.
He uh says he knows what you did
and he's not happy -

WOMAN
How can you know that?

KATHY
It's - um, I just know - um, that
you picked up the blue, and poured
blue and -

WOMAN
Oh my God!

KATHY
Oh my God!

WOMAN
How could you know this?

KATHY
Um. I don't - um - there's a
kitchen, and a plate, no a bowl -

WOMAN
No! Stop! Stop!

KATHY
So, hold on a sec, I'm getting this
right? Let me just - I'm really
channeling -? The bowl is filled
with Pork Chili -Oh my god!

WOMAN
Oh my God!

KATHY

And you pour the blue - bleach -
into the chili - Christ, in all my
days this has never happened to me
before -

WOMAN

It's lies, all lies, all of it!

KATHY

The Burning! The Searing, terrible
burning!
Oh God, I knew it! My Momma was
right! You meddle in the occult for
long enough and something's bound
to come through one day!

WOMAN

David! Leave me alone you bastard!

KATHY

"Why did you do it, Susan? Was the
Life Insurance Really Worth it?"
Oh God, Am I a witch? Oh my god!

WOMAN

Oh God! Oh God!

She tries to run away, past Kathy.

Kathy grabs her and strangles her.

KATHY

"My Chili! My favorite Chili! I
wish I'd strangled you that time in
Little Rock when I had the chance!
AGGGHHHHHHHUGH!"

Her body falls to the floor. Kathy stands up. Herself again.

KATHY (CONT'D)

Oh god. Oh God. Ok. Right. Breathe.
Ok. Ok. Oh GOD! I shoulda been a
teacher if only I'da stayed in
school.

She starts to weep as we CUT AWAY.
