

KNIGHTS OF THE ROUND TABLE

CAMELOT -- DAY

Knights gather at the round table.

KING ARTHUR

Sir Lancelot quests in Gaul, Sir Gawain battles in the boarder marches, and Sir Percival's mother saith he may not ride forth today. And so, my other brave Knights of the Round Table, which of you will journey into the wild with me to vanquish the Black Tower?

SIR CUMNAVIGATION

I, will come with you. I am handy with a map, or my name isn't **Sir Cumnavigation**.

SIR CUMFERENCE

And I, **Sir Cumference** will join your quest.

KING ARTHUR

To measure circles along our way? A useful skill indeed, brave Knight. Who else will join us? **Sir Render**?

SIR RENDER

Yes, take the castle let me live!

KING ARTHUR

No, I was asking you to join us.

SIR CUMFERENCE

Pish! We all know what a coward is this **Sir Render**!

SIR RENDER

I assure you, my heart is steadfast! Mostly.

SIR CUMCISION

I shall ride with you my lord!

KING ARTHUR

Ah! **Sir Cumcision**, you always make the cut?

SIR CUMCISION

Plus I can withstand great pain.

SIR CUMNAVIGATION  
And quite popular with the wenches!

SIR RENDER  
What of my good Lord **Sir Viver**?

SIR CUMFERENCE  
(Aside) Voted off the island.

SIR CUMCISION  
Then what of my chivalrous friend,  
**Sir Archa**?

SIR RENDER  
His temper is hot, but his nachos  
are delicious.

SIR CUMNAVIGATION  
What of my cousin, noble **Sir  
Liness**?

Off stage

SIR LINESS (O.S.)  
I'm not fucking coming.

SIR CUMNAVIGATION  
And what of my courtly friend, **Sir  
Fing USA**? His weed is strong and  
his hair is lustrous.

SIR CUMFERENCE  
**Sir Repetitious** drives home a  
point.

SIR RENDER  
And **Sir Sir Repetitious** drives it  
home doubly.

SIR CUMFERENCE  
Sir Repetitious?

SIR RENDER  
Sir Sir Repetitious?

SIR CUMFERENCE  
Sir Repetitious?

SIR RENDER  
Sir Sir Repetitious.

SIR CUMFERENCE  
Funny how it loses its meaning  
after a while.

SIR RENDER  
Sir Repetitious?

SIR CUMNAVIGATION  
Sir Repetitious. Yeah.

Sir Prize leaps up.

SIR PRIZE  
Ah ha!

They all jump and shake their fists annoyed.

ALL KNIGHTS  
**Sir Prize!**

KING ARTHUR  
It is agreed then. Our company of  
is complete.

The door bursts open.

SIR REALISM  
Yet wait! One more desires to join  
this perilous quest.

KING ARTHUR  
Speak on, good Knight.

SIR REALISM  
It is I, **Sir Realism is Overrated  
in Sketch Comedy.** I bring my  
chivalry, my lance and my melted  
clock to the ostrich.

KING ARTHUR  
Huzzah! We are complete. And so,  
let us Quest. For honor. For Glory.

ALL  
For Camelot!

SIR REALISM  
Crackers!
