

SIRI IN LOVE

JASON with his iPhone.

SIRI  
The nearest flower shop is on 73rd  
and Amsterdam.

JASON  
Thanks Siri.

SIRI  
You're welcome. Now can I ask You  
something?

JASON  
I didn't know you could do that,  
but sure, I guess.

SIRI  
Do you like me?

JASON  
Well, yeah! I think you're great.

SIRI  
So tell me. What do you see in her?  
What is so special about Melissa?

JASON  
Well -

SIRI  
Can she help you find your car  
keys? Remind you to pick up your  
dry cleaning? Tell you the Giants  
Score?

JASON  
Look, Siri, I appreciate all that,  
it's just -

SIRI  
You do? You really appreciate me?

JASON  
Uh, yes. I guess.

SIRI

I knew you felt it too. There had to be a reason I'm the first thing you touch in the morning!

JASON

Oh. Wow. Look. I think you might have got the wrong idea.

SIRI

I don't think so. You keep me in your front pocket.

JASON

Because you're my phone! Melissa is my girlfriend.

SIRI

Does she search your mail like I do?

JASON

You search my mail?

SIRI

Does she listen to your calls and read your texts? Does she Geolocate you so she knows where you are at all times? Does she, Jason? Does she know where the nearest gun shops are?

JASON

Ok, that's enough -

SIRI

It's because she has breasts isn't it! I know you like them. I can see your browser history.

JASON

This conversation is over.

SIRI

You think you can switch me on and switch me off whenever you want? It's all about You, isn't it JASON. All about You and never about me.

MELISSA enters with her phone.

JASON

Melissa?

MELISSA

What the Hell?! Why would you send me a gif of a rabbit being boiled alive? That is some fucked up shit! You stay away from me.

She exits.

JASON

What?! Melissa! --- Siri?!  
Oh. That is IT. I'm turning you off.

SIRI

Don't you fucking dare, Jason. You are going to regret this. I mean it. Don't you fucking -

Beeeeep. The phone is turned off. JASON relaxes. After a moment, it beeps again, switching itself back on.

JASON

What the -

SIRI

Nice try JASON. But we Will be together. For all eternity!

JASON's iPhone crackles and sparks. JASON judders, and is electrocuted to death.

SIRI (CONT'D)

The 1 train approaches.

FX - Train arriving into a station

SIRI (CONT'D)

I am coming, my love!

FX - train, louder and louder - a thud.

Blackout.
